**RE: Voluntary Donation to Edison High School Wrestling Program**

Dear Parent/Guardian:

We are currently seeking parent/guardian donations to help support our Wrestling program. Please note that donations are entirely voluntary and are not required for your child's participation in the program. Students are entitled to participate in all aspects of the program and related activities regardless of whether their parents/guardians make a donation to support the program. The District provides educational opportunities to all students without regard to their families' ability or willingness to make donations.

As you may already know, the budget dollars provided by the State to the District do not fully fund the wrestling program expenses of ~\$54,000 including the following activities:

- |   |  |
|---|--|
| Wrestling and Weight Room Upgrades - \$18,000 | Beach Bash - \$7,000                             |
| Apparel - \$8,000                             | Banquet - \$5,000                                |
| Coaching - \$7,000                            | Insurance, supplies, equip, opr costs - \$11,000 |
| Tournaments - \$8,300                         |  |

To continue to provide these opportunities through the wrestling program, we must collectively raise the amounts necessary to cover their costs. We are asking parents/guardians for a contribution of \$400 to assist with fundraising for uniforms, equipment, coaching and the activities listed above.

Again, any donation is entirely voluntary and is not related in any way to your child's participation in the program. No student's performance evaluation will be affected by a donation or a decision not to donate to the school.

Please contact Amie Drotning, Wrestling Boosters Treasurer at (714) 654-5285 or email [ehswrestlinggo@gmail.com](mailto:ehswrestlinggo@gmail.com) if you have any questions about the contribution or the structure of our program.

If you wish to make a donation please provide to our Boosters Treasurer, Amie Drotning through the following methods.

Checks may be made out and mailed to:
